

WarNodes – Privacy Policy

Last Updated: Dec 11, 2024

Security First

At WarNodes, we value your privacy and are committed to being transparent about how we handle your information.

Quick Summary

- No Data Selling – We never sell your personal information to third parties for advertising.
- Card Security – Payment details are processed securely; we never store your full card info.
- Full Control – You have the right to request deletion of your account and data at any time.

What We Collect

We collect your name, email, phone (optional), billing address, IP address, and device information to provide services and maintain security.

How We Use Your Data

- Fulfilling service requests and orders
- Preventing fraudulent transactions
- Communicating critical system updates
- Improving network infrastructure latency

Security Measures

- AES-256 Data Encryption
- SSL/TLS Protected Traffic
- Strict Internal Access Control

Data Sharing

Your data is only shared with essential providers:

- Stripe – Payments
- AWS – Hosting
- Postmark – Email
- Cloudflare – Security

Cookies

Cookies help maintain login sessions and improve user experience. We use essential cookies for functionality and analytical cookies to understand usage.

Your Rights

You have the right to:

- Access your data
- Correct information
- Download your data
- Delete your account and information
